### **Appointment of Post Intern Medical Officers – 20.10.2021**

With reference to the letter numbered MA/MS/F/05/2021 dated 2022/05/19 sent by the Director General of Health Services on above captioned topic.

Though the authorized procedure of duty reporting for Medical Officers is to report to the assigned station through the Provincial Director of Health Services and the Regional Director of Health Services, It was observed that practical implementation of this process is difficult due to the prevailing fuel crisis of the country.

Therefore, you are hereby instructed to report directly to the relevant Regional Director of Health Services in order to manage limited resources of the country.

Above alteration to the authorized process is only applicable to the Post Intern Batch 20/10/2021
